Re: *David D. Peterson v. Linear Controls, Inc.*: No. 18-1401; Unopposed request for extension of time from August 5, 2019, to September 10, 2019, for Linear Controls, Inc. to file a response to Peterson's petition for writ of certiorari.

Dear Mr. Harris:

On July 5, 2019, the Court requested a response to the petition for writ of certiorari David D. Peterson filed in case No. 18-1401. Linear Controls, Incorporated recently hired me and William S. Helfand to work with current counsel to prepare and file Linear Control's response to the petition. Mr. Helfand and I have not worked on the case until now so we respectfully request an extension of time from August 5, 2019, until September 10, 2019, by which to review the case and file Linear Control's response to David Peterson's petition for writ of certiorari.

The Petitioner does not oppose the requested extension. The parties' counsel initially discussed a slightly shorter extension but the conference revealed the requested September 10, 2019, deadline would benefit both parties.
